

SenText National Revenue Sharing Program

We work with many Entities nationwide that are associated with groups of merchants. Those Entities endorse SenText as the preferred texting service for their group of merchants. **How many entities do you know who are associated with large groups of merchants?**

- Associations
- BNI
- Your current merchants
- Groups
- Chambers
- Clubs
- Small, medium, large
- Groups, clubs, etc. within other groups
- People/companies who know others
- Wholesalers who deal with merchants
- Supply houses that deal with merchants
- Distributors that deal with merchants

REVENUE SHARING

The Entity will receive 10% of the monthly service fee collected from each active merchant in their group.

REVENUE SHARE DISBURSEMENT OPTIONS

The Entity can choose how they want the 10% disbursed each month.

- 3 options
 - To the Entity
 - To the merchants in the Entity's group
 - To a charity of their choice
 - Other...
- 10% disbursement is made on or about 10th of each month with a reconciliation report.

The agents receive their full compensation even after the entity receives their 10% revenue sharing disbursement!
