EDUARDO VELASQUES

MY DIVINE FLOWER SHOP

I'm new to SenText Solutions and am really looking forward to utilizing this platform.

My Rep David Mopsik really was very knowledgeable and took the time to explain the program from A-Z.

We talked about ROI, impressions, and redemptions and average ticket, and how powerful text messaging is. David mentioned there's nothing like it on the planet—95% open rate right within 1 to 3 minutes. I was truly sold. I googled the information and saw emails only have a 21.33% open rate, while Google Ads are at 4-6%, and Instagram and Facebook have less than 1%.

After David explained to me how the mechanics work I was ready to start. Thank you David!
